Reconfirmation Meeting for February 2021

Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year:

(Recommendation: Explain in narrative form any modifications to the original Extended Learning Plan)

We have modified our original ECOL, which indicated two learning options for students that included in-person instruction and virtual instruction through Edgenuity with our teachers as guides, to include a third option of paper packet instruction. The paper packets are created by the classroom teachers for students in grades kindergarten through 8th grade and are distributed weekly on Mondays. The paper packets are aligned with the content being taught each week in the classrooms. All students are still required to complete the 2-way interaction with their mentor teacher. Returned packets are checked and graded for mastery and completion.
