
North Star Montessori Academy-52901

1. What was the total amount of the district's Section 31a allocation for the 2025-26 school year?

123,412.01

2. Describe the district's methodology and decision-making for distributing Section 31a At-risk grant funds to target the buildings with the highest needs.

North Star Montessori Academy uses Section 31a funds to provide additional staff and student services such as instructional aides, compensatory education support, and social work services where students have the greatest academic, behavioral, and social-emotional needs. Funding decisions focus on providing direct services to students who need additional assistance.

3. What evidence-based interventions and services were implemented with the Section 31a At-risk grant funds during the 2025-26 grant cycle?

Section 31a funds supported instructional and classroom aides, special and compensatory education supports, preschool assistance, and social work services to provide students with additional academic and social-emotional support. Statement of Activity (8)

4. In what ways has the district collected feedback from parents or legal guardians on these interventions and services provided this year?

North Star Montessori Academy provides families opportunities to share feedback regarding student supports and services through regular communication with school staff and administration.

5. Describe the method parents or legal guardians may use to provide feedback on the use of these funds.

Parents and guardians may provide feedback by contacting school administration or staff directly and sharing input regarding the academic, behavioral, and social-emotional supports provided to students.
